Notices Extended

Notices, UTU-068571/UTU-068868, were filed with this office on September 3, 1991 and January 16, 1992, respectively. The Surface Management Regulations, 43 CFR 3809.333, require that an operator wishing to extend his/her notice which was on file as of January 20, 2001, notify the BLM in writing on or before the expiration date, January 20, 2003, and meet the financial guarantee requirements of 43 CFR 3809.503.

Notices may be extended more than once. Extended notices remain in effect for 2 years, unless further extended under 43 CFR 3809.333, or unless you notify BLM beforehand that operations have ceased and reclamation is complete. Extended notices must meet the financial guarantee requirements of 43 CFR 3809.503.

Your request to extend notices, UTU-068571/UTU-068868 for an additional 2 years was received by this office on January 19, 2005. An inspection of these notices conducted on March 26, 2004, documents the surface disturbance is substantially the same as when the financial guarantee was accepted on June 19, 2003. Therefore, the financial guarantee is accepted and your notices are extended until January 20, 2007.

Copies of this notice of appeal and petition for a stay must also be submitted to each party named in the decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office.
